

66th PMTA Piano Ensemble 2018

Music Selection and General Information

Concert Date: **February 10, 2018**
Concert Location: **Arcadia High School, 4703 E. Indian School Rd., Phoenix, AZ 85018**

Requirements for Rehearsals and Concert

1. All performers must be at least 8 years of age by 9/2017 and studied piano for two (2) years by 9/2017
Additionally, please follow any age and school grade requirements listed with the specific music selection.
2. All performers must own some form of metronome and practice with it prior to the first rehearsal.
3. Performers must be available to perform in both concerts if asked.
4. Absences: It is the responsibility of the teacher to emphasize that attendance at all rehearsals is mandatory. If a performer contacts the teacher to tell them they are missing a rehearsal, the teacher should encourage the student to re-consider and that missing a rehearsal is for extreme instances of illness or school required functions and that the policy of dropping a performer after more than one absence is strictly enforced. Teachers should stress that in any group performance, it is the rehearsals that determine the quality of the performance even if each individual is well prepared. The teacher (never the performer or family) must then contact the chairperson (Susan Shiner shinermusic@cox.net) of an absence prior to the rehearsal.
5. The Exact Rehearsal times will be announced via email and the website by mid-December.
6. There will be **two concert performances: 6:00 and 8:00**. The student's concert time will be sent with the registration confirmation letter. Every effort will be made to place family members in the same concert. Some groups may be required to perform in both concerts.
7. Music lists have been given to Central Music. The following is a link to the Central Music website for online ordering: <https://www.centralmusicdirect.com/pmta/>. (The Ensemble Committee is not responsible for the availability of music.)
