*To access the event, you will need to park in the main garage located on W. Camelback at N. 33rd Avenue. Exit the garage on east side, and continue walking east, past the GCU arena to reach the Fine Arts Building, number 35.

Depending on campus sporting and other events, you may be directed to an alternate parking garage. Either way, SRS Chair will email final directions and maps before the recital as was the practice since we began these events at GCU.

Disabled parking is available in front of the Fine Arts Building and is accessible via campus entrance on W. Missouri Avenue, as seen on the map link that will be provided in advance of each recital. All campus entrances have security booths where you will need to say you are going to an event at the College of Arts and Media, the Fine Arts building (35). If required, parking permits will be provided by Campus Events to the SRS Chair and emailed to all participants (performers and teachers), as they may need to be printed and placed on the dashboard.
